

# Chaplain Assistance Program

Travelers away from home without family and friends nearby sometimes find themselves in need of encouragement or comforting from someone who truly cares. As an extension of our TNAA staff, we offer our travelers support through the Chaplain Assistance Program, a partnership with Corporate Chaplains of America.

Our chaplain will contact travelers at the beginning of their assignments to introduce herself. Participation in this program is strictly voluntary, and is nondenominational and nonsectarian. The chaplain will never disclose a traveler's private information to anyone without permission.

## A Word from Chaplain Angela

As your chaplain, I get to care for everyone, no matter your circumstance, background, faith tradition, or if you have no religious faith at all. If you ever need someone to turn to, or just need a listening ear, I am here for you. Any time, any place, any situation; I am only a phone call, text, or email away. With gratitude, I look forward to serving you.
