

Chaplain Assistance Program

Travelers away from home without family and friends nearby sometimes find themselves in need of encouragement or comforting from someone who truly cares. As an extension of our TNAA staff, we offer our travelers support through the Chaplain Assistance Program, a partnership with Corporate Chaplains of America. This benefit is at no cost to you.

Our chaplain will contact travelers at the beginning of their assignments to introduce themselves. Participation in this program is strictly voluntary and is nondenominational and nonsectarian. The chaplain will never disclose a traveler’s private information to anyone without permission. When calling, leave a message, and they will call back within 10 minutes.

Gordon-Conwell Theological Seminary and Columbia International University. I love serving people and caring for them. I serve as an associate pastor at a local church in Nashville.”
